We are in courtroom #6 (to the right of our office on the third floor), before Judge Rup. She will know later this morning if we will be able to start empaneling a jury (due to other trials taking place) for want of court officers. I will definitely let you know. Will you send me a list of questions which you feel comfortable with? Thank you.

Hi Eduardo,

Will you need me today for the [REDACTED] case? Just give me a time when I should be there, also let me know the court room number.
